Component Mission

The Office of Intelligence Community (IC) Equal Employment Opportunity and Diversity (EEOD) reports directly to the Director of National Intelligence and is responsible for the overall strategic management of the IC's efforts to build a diverse workforce. IC EEOD develops policies and programs, and provides guidance and consultation that impact the representation of women, minorities, and persons with disabilities. In addition to its community management responsibilities, the IC EEOD provides EEO and diversity services for the Office of the Director of National Intelligence organization.

Major Duties and Responsibilities (MDRs)

- The Deputy Chief, IC EEOD, manages the development and implementation of strategic initiatives and priorities aligned with the EEO and Diversity Enterprise Strategy, and is responsible for the day to day activities in a fast-paced dynamic and high profile environment. Ensures processes, resources, and personnel are aligned to deliver the full range of compliance, coordination, oversight, and leadership of a diverse portfolio in support of diversity, inclusion, and EEO initiatives. Responds to externally directed taskings from the U.S. Equal Employment Opportunity Commission, the office of Personnel Management, and Congress (to include the development and timely delivery of a Congressionally mandated annual report on hiring and retention of minorities, women, and persons with disabilities). Fulfills the duties of Chief, IC EEOD, as appropriate.

Mandatory and Educational Requirements

- Minimum Qualifications Required:
- Technical Qualifications
- Expert knowledge of and practical, hands-on experience with the application of federal EEO and diversity laws, regulations, policies, and practices.
- Expert understanding of government reporting requirements, guidelines, Management Directives (MD - 715), and diversity best practices.
- Ability to manage IC-wide programs, workshops, and activities, and the ability to engage senior government and contract personnel to achieve mission outcomes.
- Strong analytic, strategic, and critical thinking skills, including the ability to conduct operational assessments, to identify needs and requirements, and to develop non-linear process and improvement recommendations for implementation within the ODNI and across the IC.
